

European Neighbours Day

Cosmopolitan teamed up with Arena Homes, Steve Biko Housing and Plus Dane to invite residents to come together at Olive Mount Gardens to celebrate being neighbours! The afternoon was packed with family fun with Stilt Walkers dressed as bugs!, Face Painting, Magician's, The Savoy Jazz Band and Gardening Workshop's.

There were a few people who were lucky enough to have won flowering pots in the free raffle and am sure they will look after these during the summer and re plant next year with their new skills they picked up during the gardening workshops.

The highlight of the event was the complimentary Strawberry Tea, fresh scones from L'Oven Cakes on Smithdown Road with fresh cream, jam and fruit! They went down an absolute treat! In addition, Liverpool's Lord Mayor, Local Councillor Mike Storey paid a visit to the award winning gardens and later said of the event "I really enjoyed meeting the residents and seeing the interaction and friendship between everyone".

European Neighbours Day is celebrated in over 29 European countries and is celebrated by eight million people.
