## **Are you over 55 years old and do you use community health services in Liverpool?**

**(May be you attend a clinic in a local health centre, have district nurse appointments, or are seen by a podiatrist?)**

## **Are you concerned about the effect of budget changes on your health?**

If your answer is 'Yes' to these questions, we would like to invite you to take part in a Health Impact Assessment (HIA) workshop about these issues.

We will be asking how you think your health and wellbeing might be affected by these changes and how local community health services could work differently to best serve the health needs of the local population.

The workshop will take place on **Thursday 12<sup>th</sup> January 2012, 10:30am till 2.30pm** at The Quaker Meeting House, 22 School Lane, Liverpool. L1 3BT (*Next door to the Bluecoat Gallery*)

*Refreshments and a light lunch will be available*

**As places are limited, please contact IMPACT, who can provide you with further information about the workshop, either by telephone 0151-794 5004, or email [impact@liv.ac.uk](mailto:impact@liv.ac.uk)**
