The Right to Acquire

The Right to Acquire scheme gives eligible tenants the right to buy their property from Cosmopolitan Housing Association at a discount. Buying a home is a long term financial commitment so always make sure you get independent financial and legal advice before you make the decision.

Are you Eligible?

You may be if you:

- Are a secure or assured tenant.
- Have been a public sector tenant for at least two years or five years if you became a public sector tenant after 18 January 2005.

And you live in:

- A qualifying property.
- A property that was built or acquired by the association with public funds from 1 April 1997 onwards.
- A property that was transferred from a local authority to the association after 1 April 1997.

You may be classified as a public sector tenant if you have previously lived in properties provided by your Local Authority, the Armed Services, Fire Service or Police Authority.

For more information on the scheme, read the leaflet 'Guide to the Right to Acquire'.

The booklet is available on request.

You will not be eligible if:

- The courts have issued a Possession Order for you to leave your home.
- You are undergoing bankruptcy proceedings.
- You live in housing specially provided for older people and (in certain cases) disabled people.

Discounts Available:

- Discount for the North West is a flat rate of £9,000.
- If you applied to the scheme on or after 18th January 2005, and decide you want to sell the property within five years of buying it you will have to repay some or all your discount - the amount you repay depends on the how long after you got the discount you want to sell.

Time when property sold	Amount of discount to be repaid
Within 1 year	100%
Within 2 years	80%
Within 3 years	60%
Within 4 years	40%
Within 5 years	20%

- If you decide to sell your property after five years you will not have to pay the discount back.
- If you decide to sell your property within 10 years then you will have to offer the property to your landlord first at market value - if your landlord does not want it then you are free to sell the property on the open market.

How to Apply and The Next Step:

Contact our office for an application form and we will make a decision about whether you qualify for the Right to Acquire for your current property.

If you do qualify, we will send you a notice outlining:

- A description of the property and any land included in the price.
- Details of your discount and how it has been calculated.
- The price the association thinks you should pay for the property and how this has been calculated.
- Estimates of any service charges.
- Any structural problems the property may have.
- Terms and conditions of the sale.

If you disagree with the price given for your home you can ask for an independent valuation by the District Valuer. However, the District Valuer's decision is final so if it is found that the value of your house is higher than the one given by the association you must adhere to it.

Buying Your Home:

You must make your decision about whether you want to proceed with buying the property within three months of receiving the notice.

It is advisable to obtain independent financial and legal advice as well as getting a survey. You may need to arrange a mortgage to pay for the property and you will need a legal representative to help you draw up contracts.
