What's going on in St Helens...

Tackling Empty Homes

The Association has been successful in obtaining grant funding from the Government's Homes for Communities Agency (HCA) to purchase and improve empty properties in order to provide affordable housing for rent in St. Helens.

Working in partnership with St. Helens MBC the funding will help tackle the problems created by empty homes, as well as bringing empty properties back into use at a time when waiting lists for Social Housing has soared.

It is envisaged that the funding will support the improvement of 4 properties in the forthcoming financial year with the intention of building upon this programme year on year.

Cosmopolitan HA is currently liaising with St. Helens MBC to identify properties, which can be considered for this programme.
